International Conference On

Pharmaceutical Technologies

2018

14-16 April 2018 - Cairo, Egypt

Welcome Message

6th
Conference
Edition

Dr. Alaa Youssry

is specialized in pharmaceutical production, Quality assurance, GMP assessor, trainer, and Auditor, Certified Assessor for European Foundation for Quality Management (EFQM), Certified Auditor in ISO 17025, ISO 9001, National Senior Examiner in NAFE (Malcolm Baldrige Award), Team Leader, Advisor, and Instructor in Egyptian Public Service Award, Trainer for ISO 9001, 14001 & 18001, Chair of GMP sessions in Pharmaconex 2015.

Eng. Ahmed Helal

Graduated from Alexandria university, faculty of engineering, Mechanical department.

Utilities section Head in Utopia for pharmaceutical 10 years' experience in pharmaceutical filed (Pharco co, Alandalous for pharmaceutical and Utopia for pharmaceutical).

Contributed in a lot of project in pharmaceutical range like solid dosage, semi solids, hormone range, cosmetics factories.

Working in design, selection, operation and maintenance for engineering utilities equipment.

Dr. Ahmed Maher

is a member of ISPE with ID of 1028463, lecturer at Tanat Engineering and Technology higher institute and he worked as technical director at PharmaConsult Egypt.

He was the manager of engineering department at Alesraa Pharmaceutical Company for 6 years ago. He has more than 17 years in pharmaceutical industries. He is an engineering consultant at many pharmaceutical companies (Alesraa Optima, Arabcomed, Rotabiogen, Global Pharma...) in a scope of pharmaceutical waters. His Master was studied on Purified water system at Hikma pharma.

His PhD thesis developed a new trend in electrochemical treatment in removal of organic pollutants of water. He has many research articles in scope of water and waste water treatment.

Amal Sayed Mohamed Ibrahim Emran

Bachelor of Vet. Medicine ,Cairo University .

Diploma of Microbiology, TOT. & Certified Trainer from Ain Shams University, TELP.

Working at MUP as Medical Representative, Supervisor, Planning specialist, Purchasing Section Head & finally as Import. Manager for Packaging materials.

**Dr Anselm Ebert**

Dr. Anselm Ebert (Ph.D. in Neuroscience) is now Director of the Business Development Department at H&T Presspart. He performed his studies of Molecular Biology and Neuroscience at the Universities of Würzburg (Germany), Hamburg (Germany), Rutgers (New Jersey, US) and Edinburgh (Scotland). The main focus of his PhD was in regeneration of the spinal cord. Dr. Ebert worked as a business consultant specialized in strategy and turnaround management. Furthermore, he worked at the Hartmann AG as a group leader in the development department for medical devices. Since 2016 he joined Presspart, a world leader in medical device and pharmaceutical component manufacturing for respiratory drug delivery

**Eng. Ataa Aboul-ela**

is an Electrical engineer specialized in Validation according to European Standards he has a wide experience in a short time, in 7 years he had work in GSK Salam and Giza site, Orchidia Pharma, Marcyrl group. Ataa earned a Micro master in software testing and verification from Maryland University by Egyptian Ministry of Communication, and currently he is the Engineering compliance and Validation Lead in Marcyrl Group. Jury member in FLL international Competition for Robotics and Arab Open competition for Robotics. Member of the Team who win ABU Robocon 2010 for robotics.

**Emanuele Tellaroli**

Key Account Manager - Antares Vision S.r.l.
Graduated in electronic engineering at Politecnico di Milano, he covered different technical and sales positions in various industries. He Joined ANTARES VISION in 2008 and has since then been working on export sales, taking care of various areas in the world, including Africa. He has huge experience on Track&Trace, having followed each market since the debut of T&T in 2008 with the Turkish Project

**Heba Elbrolosy**

Supply chain manager at medical union pharmaceutical company, SAP and S400 ERP systems power user, worked at Lilly, GSK and Bristol Myers Squibb, Graduated from faculty of commerce English section fourth among my batch, very good with honor and certified production and inventor control from APICs.

Hisham Gawish

Pharmacist with More than thirty years experience in Pharmaceutical industry, Specialized in the manufacture of soft gelatin capsules.

Act as section head, production manager, quality control manager, finally general manager.

Master in total quality management, Well versed with GMP, Good Housekeeping, and Cost reduction.

Experienced in design lay out with best and short way for personal and materials flow.

Dr. Kareem Magdy

is Analytical Methodology Section Head, focusing on Development and validation of the analytical methods and creation of drug substance and drug product specifications, An Analytical method developer for 6 years of experience, Kareem lead the Analytical Research team at Hikma-Egypt and he has an experience on preparation of analytical part of CTD files.

Dr. Kareem Elkhalfa

is specialized in Validation, Quality Assurance and GMP in pharmaceutical industries, Certified quality manager/ organizational excellence, certified six sigma black belt from American society of quality , Start up validation and qualification system in number of fast growing pharmaceutical organizations, Now holding many projects in computer system validation (ex: BMS, ERP system validation and automation control software validation).

Dr. Maged Fawzy

had obtained his Master and Ph.D. in Pharmaceutics in technology transfer & foam granulation. He owns a BA diploma from Durham University, UK. He worked in R&D for 15 years in Egypt and KSA. Presently, he is export regulatory affairs manager in Pharaonia Pharmaceuticals. He has involved in several workshops on various topics. He has also published 3 papers in peer-reviewed journals.

Dr. Mohamed El-Khatieb

is a Pharmacist and Certified Six Sigma Black Belt, has more than 10 years of experience in pharmaceutical manufacturing field including fields of Quality Control, Quality Assurance, Validation and Qualification.

**Mustapha Hafez**

is passionate about pharmaceuticals 'quality. Through 8 years of professional career he worked with Quality teams contributing to customer value, He has been also certified as SSB, CQA, CPGP and CQM. Bachelor of Science degree in Mechanics at C.E.S.I. Paris.

Philippe Selsis is Sales Area Manager at IMA Life Aseptic Processing and Freeze Drying Solutions, responsible for the Lyophilizers and the Loading Systems in Europe & Middle East and also for the aseptic IMA Life range of equipments in France & Maghreb.

Over 15 years experience as Service Manager in lyophilization that ranges from engineering, maintenance, retrofitting and revamping of units,,,, installation of new units and aseptic lines, maintenance products development, overhauls and upgrades of units for performances improvement or cGMP compliance requirements. He was also Customer Service Manager at USIFROID, based in Maurepas, France. Philippe is also responsible for Lyophilization training program & courses at IFIS training center organization in Paris.

Saturday, April 14, 2018

Hall 1

10:30
12:00

Opening Ceremony

13:00
17:00

MEACO Seminar

Who is COUNTEC?
Why it should be COUNTEC?
What is COUNTEC's proposal?

Jin Kim

Modification of conventional BFS process to produce 60%
more from the same machine

Rajeev Kabbur

Endotoxin control strategy for Parenteral products

Dr. Ahmed Gamal

Leak Testing Pressure Decay

Martin Farrugia

Chair
Dr. Alaa Youssry

Co-chair
Dr. Kareem El Khalifa

Sunday,
April 15, 2018

Hall 1

09:00
16:45

- | | |
|--------------|--|
| 08:00-09:00 | Registration |
| 09:00- 09:45 | Lyophilization process
Eng.Philippe Selsis |
| 9:45-10:30 | Computer system validation
Dr. Karim Elkhalfia |
| 10:30-11:00 | Coffee break |
| 11:00-11:45 | Computer system validation
Dr. Karim Elkhalfia |
| 11:45-12:30 | Computer system validation
Dr. Karim Elkhalfia |
| 12:30-14:00 | Lunch break & Exhibition |
| 14:00-14:45 | Soft Gelatin Capsule
Dr. Hesham Gawish |
| 14:45-15:30 | Soft Gelatin Capsule
Dr. Hesham Gawish |
| 15:30-16:00 | Coffee break |
| 16:00-16:45 | Negotiation Skills
Mrs. Amel Omran |

Chair
Dr. Alaa Youssry

Co-chair
Dr. Kareem El Khalifa

Monday,
April 16, 2018

Hall 1

09:00
16:45

09:00-09:45 OPTHALMICS - Physiology, Formulation, Packaging)

Dr. Otto Ernst Schubert

09:45-10:30 Steam Quality Testing

Eng. Osama Kamel

10:30-11:00 Coffee break

11:00-11:45 Biofilm Treatment

Dr. Ahmed Maher

11:45-12:30 Biofilm Treatment

Dr. Ahmed Maher

12:30-14:00 Lunch break & Exhibition

14:00-14:45 Supply Chain Management

Heba EL Borlosy

14:45-15:30 Supply Chain Management

Heba EL Borlosy

15:30-16:00 Coffee break

16:00-16:45 Criticality Assessment In Pharma Industry

Eng. Ataa Aboul-ela

Chair
Dr. Maged Fawzy

Co-chair
Dr. Mohamed El-Khatieb

Sunday,
April 15, 2018

Hall 2

09:00
16:45

- 9:00-9:45 Track & Trace
Mr. Emanuele Tellaroli
- 9:45-10:30 Calibration in Pharmaceutical industry
Eng. Osama Kamel
- 10:30-11:00 Coffee break
- 11:00-11:45 Good Weighing Practices
Dr. Mohamed El-Khatieb
- 11:45-12:30 Performance Qualification of Balances
Dr. Mohamed El-Khatieb
- 12:30-14:00 Lunch break & Exhibition
- 14:00-14:45 Utilities in pharmaceuticals
Eng. Ahmed Helal
- 14:45-15:30 Utilities in pharmaceuticals
Eng. Ahmed Helal
- 15:30-16:00 Coffee break
- 16:00-16:45 Developing Solid Pharmaceutical Product
Dr. Maged Fawzy

Chair
Dr. Maged Fawzy

Co-chair
Dr. Mohamed El-Khatieb

Monday,
April 16, 2018

Hall 2

09:00
16:45

09:00-9:45 Novel Unit Dose Dry Powder Inhalers (uDPI's)

Dr. Anselm Ebert

09:45-10:30 Elemental impurities - Risk Based Approach

Dr. Mohamed El-Khatieb

10:30-11:00 Coffee break

11:00-11:45 Test Method Validation

Dr. Kareem Azzam

11:45-12:30 Test Method Validation

Dr. Kareem Azzam

12:30-14:00 Lunch break & Exhibition

14:00-14:45 Pharmaceutical Statistics

Dr. Moustafa Hafez

14:45-15:30 Pharmaceutical Statistics

Dr. Moustafa Hafez

15:30-16:00 Coffee break

16:00-16:45 Pharmaceutical Development -QBD Approach

Dr. Maged Fawzy

April
14-16, 2018
Cairo, Egypt

مركز مصر للمعارض الدولية
(محور المشير)
