Welcome

Dear Attendees,

Welcome to Pharmaconex 2022!

We would like to express our appreciation for your participation and continuous support. We are excited to have you with us in this special edition as it comes in association with our global prominent pharma exhibitions (CPHI).

We care about helping you get the most out of your visit to Pharmaconex 2022. As such, we have prepared a seamless experience that caters to all your needs under one roof. From a smooth entrance procedure to wide coverage of the entire pharmaceutical manufacturing supply chain, specialised conferences, matchmaking program, lead retrieval, and many more exciting features that Pharmaconex 2022 has to offer

Throughout the three days of the event, you will have the opportunity to engage with 5000 visitors and connect with 150 exhibitors from 20 countries across the world; to get insights into the industry's latest trends, grow your businesses, and expand your technical and scientific knowledge.

This year's edition of Pharmaconex Introduces two new features: the first is the matchmaking program, which allows our exhibitors and visitors to pre-arrange beneficial meetings onsite to generate new business. Second is our Cleanroom zone area located inside the Hall, focusing on showing the entire production process for cleanliness.

In partnership with Agon Academy, we produced a comprehensive agenda for Pharmaconex conference to give more insight into biotechnology, supply chain management and the future of the Pharmaceutical Industry in the Middle East and Africa. We will welcome top-level speakers from all major pharmaceutical disciplines to concentrate on developing the pharmaceutical manufacturing industry in Africa.

Lastly, sustainability is increasingly important to our attendees, exhibitors and the market as whole. That is why Pharmaconex is committed to a series of ambitious sustainability goals that will support our journey to becoming a more sustainable and responsible business. As part of these sustainability commitments, we launched our Better Stands programme to support our exhibitors to move away from the use of disposable stands, replacing them with higher-quality reusable structures made from sustainable materials. We encourage you to join us on this journey to overcome the significant challenges in our sector, towards building a better, brighter and more sustainable future for our industry.

A special thank you goes out to all our partners and sponsors for their continuous support to make Pharmaconex 2022 a memorable one!

We wish you a successful, profitable, and, most importantly, enjoyable time with us.

Mostapha Khalil
Group Exhibition Director

Our Commitment to Sustainability

At Informa, we achieve sustainable commercial success through thoughtful market focus and superior results for our customers. Being a sustainable business is central to how we run our events, how we make decisions and how we do business every day.

Our continuing evolution is fueled by insight, innovation, and collaboration. We are proud of our commitment to having a positive environmental and social impact on both the communities and industries we work within.

We know how sustainability is increasingly important.

Running Pharmaconex gives us lots of opportunities to improve our impact environmentally, socially and economically in our region. We want to make the event more responsible and play a role in helping the market improve its own sustainability through connecting people with the networks and knowledge they want to help solve the big challenges in the pharmaceutical sector.

About the organiser

Informa Markets creates platforms for industries and specialist markets to trade, innovate and grow. We provide marketplace participants around the globe with opportunities to engage, experience and do business through face-to-face exhibitions, targeted digital services and actionable data solutions. We connect buyers and sellers across more than a dozen global verticals, including Pharmaceuticals, Food, Medical Technology and Infrastructure. As the world's leading market-making company, we bring a diverse range of specialist markets to life, unlocking opportunities and helping them to thrive 365 days of the year. We don't measure the size of the market. We measure the number of
lives we can change.

In the face of the worst crisis known to mankind, millions of lives were lost. And hope crumbled. That's when, we at BDR, came to the fore. Our flagship COVID products, saved lives, gave hope. And kept the nation's will to see the crisis through. At BDR, we had the will, we showed the way.
