1 Welcome

Dear Attendees

Welcome to the launch edition of Pharmaconex West, Lagos! We are happy to have you all join us for this momentous occasion. Pharmaconex West marks an exciting extension of the renowned Pharmaconex brand, which has been the leading pharmaceutical manufacturing show in Africa, hosted in Egypt for the past decade. This marks our first edition in Nigeria.

Given the paramount importance of health and our commitment to promoting better health across Africa, we have launched Pharmaconex in Nigeria to showcase the industry's growth in West Africa. This exhibition is tailored to address the main challenges in the market and support governmental efforts to localize the pharmaceutical industry.

This year's event will attract 60 exhibitors representing 10 countries, and it expects to welcome 2000 visitors from across Africa. Furthermore, Pharmaconex West is co-located with Medlab, the leading laboratory equipment show, which will host 4000 visitors and 160 exhibitors together.

We invite you to take full advantage of our comprehensive conference agenda, which will delve into crucial topics such as Nigerian market overview, route to the Nigerian market, factory development, pharmaceutical engineering, and celebrating women in the pharma industry.

do not miss our two informative workshops focusing on combating counterfeit pharmaceuticals and optimizing pharmaceutical packaging.

With 22 different topics and 26 speakers throughout the three days of the exhibition, there will be ample opportunities for learning and networking.

Be sure to visit our knowledge hub where you can engage with leading pharmaceutical associations in Nigeria and delve deeper into regulatory matters, market insights, and more.

A special thank you goes out to all our partners and sponsors for joining our efforts to make Pharmaconex West a memorable one!

We wish you a successful, profitable, and, most importantly, enjoyable time with us.

Mostapha Khalil
Group Director

2 General Information

4 Key Features

Pharmaconex West Africa Conference

Pharmaconex will bring you some of the best experts in the industry who will be sharing the latest insights in the pharmaceutical industry through dedicated technical conference and intensive training workshops.

CPD
CERTIFIED
The CPD Certification
Service
Collective Mark

5 Technical Conference

Spanning over 3 days, Pharmaconex West conference is divided into 2 themes. The conference will begin by presenting the landscape and overview of the Nigerian pharma market from both consumers side and manufacturing capacity & needs, walking our delegates, international pharmaceutical manufacturers through penetrating and expanding in the Nigerian market, discussing local regulations, market needs and supply chain solutions.

This will be followed by technical content that will help our local manufacturers develop & enhance their manufacturing lines, to be able to cope with international standards and the local market needs. The technical content will tackle various aspects of the manufacturing process such as quality control, engineering & process design and good manufacturing practices.

The conference is in partnership with several entities, composed of pharmaceutical engineering professionals and local chambers and associations all sharing the goal of developing and growing the Nigerian pharmaceutical industry who will provide valuable input and share their expertise with the audience.

Featured speakers

Prof Moji Adeyeye

Director General of National Agency for Food and Drug Administration and Control (NAFDAC)

22nd of April

11 am to 4 pm
4-hour Workshop

Counterfeit Pharmaceuticals: Efforts to Stop the trend on the Continent

 Room 1D

Introduction and Overview (30 minutes)

11:00 am – 11:30 am

- Welcome and introductions
- Overview of the workshop objectives and agenda
- Importance of addressing counterfeit drugs
- Q&A Session

Understanding Counterfeit Drugs (1 hour)

11:30 am – 12:30 pm

- Definition and types of counterfeit drugs
- Impact of counterfeit drugs on public health
- Case studies or examples of counterfeit drugs
- Q&A Session

Regulatory Challenges (30 minutes)

12:30 am – 1:00 am

- Overview of the regulatory framework for pharmaceuticals
- Challenges in regulating and combating counterfeit drugs
- Q&A Session

1:00 pm – 2:00 pm

LUNCH BREAK (1 hour)

Detection Techniques (1 hour)

2:00 pm – 3:00 pm

- Techniques for detecting counterfeit drugs (e.g., visual inspection, packaging analysis)
- Role of technology (e.g., blockchain, mobile apps) in combating counterfeit drugs
- Q&A Session

Collaborative Solutions (30 minutes)

3:00 pm – 3:30 pm

- Importance of collaboration between stakeholders (government, industry, healthcare professionals, NGOs)
- Best practices and strategies for addressing counterfeit drugs
- Q&A Session

Q&A Session and Wrap-Up (30 minutes)

3:30 pm – 4:30 pm

- Questions and answers
- Key takeaways and action points
- Closing remarks and next steps

23rd of April

11 am to 3 pm
4-hour Workshop

Optimizing Pharmaceutical Packaging: Ensuring Quality, Safety, and Compliance

 Room 1D – Level 1 – Hall 1

Enhancing understanding and implementing best practices in pharmaceutical packaging to ensure the integrity, safety, and compliance of products throughout the supply chain

4-hour Workshop

Optimizing Pharmaceutical Packaging: Ensuring Quality, Safety, and Compliance

 Room 1D – Level 1 – Hall 1

Introduction and Welcome

11:00 am - 11:15 am

- Welcome participants and introduce the facilitators
- Provide a brief overview of the workshop objectives and agenda

Importance of Pharmaceutical Packaging

11:15 am - 11:30 am

- Discuss the vital role of packaging in ensuring product integrity, safety, and efficacy
- Highlight the significance of proper packaging techniques in maintaining product quality throughout the supply chain

Regulatory Requirements and Guidelines

11:30 am - 12:00 pm

- Present an overview of national and international regulatory standards related to pharmaceutical packaging
- Discuss the importance of compliance with regulations to maintain product quality and safety
- Provide examples of common mistakes or non-compliance issues

12:30 pm - 12:45 pm

Break

Secondary Packaging and Labeling

12:45 pm - 1:15 pm

- Explore various secondary packaging options, including cartons, blister packs, and vials
- Discuss the importance of appropriate labeling and provide examples of labeling requirements
- Highlight best practices for secondary packaging and labeling

Quality Control and Good Manufacturing Practices (GMP)

1:15 pm - 1:45 pm

- Explain the role of quality control in pharmaceutical packaging
- Discuss essential aspects of GMP related to packaging processes
- Provide guidelines for maintaining cleanliness, sterility, and integrity in packaging operations

23rd of April

11 am to 3 pm
4-hour Workshop

Optimizing Pharmaceutical Packaging: Ensuring Quality, Safety, and Compliance

 Room 1D – Level 1 – Hall 1

Innovative Packaging Technologies

1:45 pm - 2:15 pm

- Present emerging trends and innovative technologies in pharmaceutical packaging
- Discuss advancements such as smart packaging, tamper-evident features, and serialization
- Highlight the potential benefits of adopting these technologies for pharmaceutical companies

Case Studies and Interactive Discussion

2:15 pm - 2:45 pm

- Present real-life case studies illustrating packaging challenges and solutions
- Encourage participants to share their experiences and insights
- Facilitate an interactive discussion to address questions and concerns

Wrap Up and Closing Remarks

2:45 pm - 3:00 pm

- Summarize key takeaways from the workshop
- Highlight additional resources and references for further learning
- Thank participants for their participation and provide certificates of attendance, if applicable

6 Celebrating Women in Pharma

24th of April

2 am to 5 pm
4-hour Workshop

The Women Networking Event is a special event designed to bring together women in the industry to network, connect, and discuss important issues related to women's empowerment. The event is an opportunity for women to come together to share their experiences, knowledge, and ideas, and to learn from one another.
